East Canton Village Park is located on 15 acres on Werley Road North. This beautiful park has two pavilions and playground, tennis court, basketball court, ½ mile walking track and three baseball fields with dugouts and bleachers.

The large pavilion at the top of the park has picnic table seating for approximately 78 and the lower pavilion picnic table seating for about 48, each pavilion has plenty of space around for additional seating, with chairs being provided by the renter. Both pavilions are equipped with electricity and charcoal grills.

Playground equipment includes swings, handicap wheel chair swing, slides and other playground sets, located at each pavilion.

The Village received grants from Ohio Nature Works and the Stark, Wayne & Tuscarawas Solid Waste District to make additions to the park. These grants combined with the village funds received from park rentals and income tax make the park a nicer place to gather. Local area Little League Baseball and Softball teams benefit from the ball fields, dugouts along with a new concession stand built with donated funds from the East Canton Rotary and local business members from the area. The Park is open for the public to enjoy April 1st – November 1st.

Restrooms with running water are open April 1st – November 1st.
